GAMEPLAY RULES

Abuses & Exploitation
Exploiting game or map bugs/glitches/flaws ("exploits") for the purposes of gaining an unfair advantage is prohibited. Exploits that are not specifically named here are still prohibited but will be dealt with on a case-by-case basis. Gamer.LK Staff reserve the right to decide what will be deemed as an exploit or abuse.

Scripting
The use of scripts such as inst-lockin heads, high jumps, wall hacks or ESO scripts are illegal.

Use of Third Party Softwares
The use of any third-party add ons, hooks, programs or wrappers that interact with or alter the client, its appearance or behavior for the purposes of gaining an unfair advantage is prohibited. Exceptions: Third party voice communication software such as (but not limited to) Teamspeak, Discord are allowed.

Impersonations
Impersonating an eligible player by attempting to alias as them, using their account or by any other method is prohibited and will result in the aliasing player and the player they are aliasing as being removed from the tournament.

In-game names
Each member must have his/her primary gaming nickname they used on registration or something very similar as their name during matches to be easily identifiable for referees, broadcasters, and viewers. What counts as similar is for the Gamer.LK Staff to decide. The only additional information allowed in a player's ingame name is clan tags or sponsor names.

Multi-clanning participation
No player is allowed to be a part of gaming clans. If a participant is found to be multi-clanning, the player will be banned for a minimum period of one year.

Indecent Behaviour - Insults, Racial Slurs or Harassment

- Swearing or any kind of hostility, racist or any sort of abuse verbal or physical towards another player is strictly prohibited. This includes chat messages in-game, verbal exchanges, etc.
